opponents may be scheduled. As a result, league champions and 2nd place teams will be determined by winning percentage. To qualify, league champions and second place teams must have played at least 75% of the average number of games played by each team.

(1) Not more than the first two games played against a common league opponent will be factored into a team's winning percentage.

(2) Inter-league games will not be factored into a team's winning percentage.

(3) It is understood that some teams may not play a balanced schedule (same number of games against common opponents).

This requirement is due to the fact that only 17 awards are authorized for the unit level intramural softball program.

c. Cancellation and rescheduling of Post Tournament games.

After the deadline, rescheduling flexibility will be extremely limited and will require concurrence from all teams affected by any proposed rescheduling.

(2) Post level tournament games, with the exception of semifinal and championship games, not played because of military contingencies lasting longer than 24 hours will result in an automatic forfeit. CLARIFICATION: USSSA rules allow for a twelfth hitter. Additionally, teams can employ pinch runners without substituting. When a non-substitution pinch runner is used, the player who made the last out will serve as the pinch runner.

e. In the event of any injury or ejection which results in the batting order being depleted from twelve to eleven/ten/nine/eight or from eleven to ten/nine/eight or ten to nine/eight players, an automatic out will be recorded in the batting position of the player or players who have left the game.

f. Line-ups are to be submitted to the official scorer NLT 10 minutes prior to game time. The home team will be responsible for maintaining the official scorebook. Failure to provide a scorekeeper will result in forfeiture of the game.

Should the same player be ejected from a league and/or post tournament game for a third time, that player will be suspended from his/her team's following three games. A fourth ejection during a league and/or post tournament game will result in the suspension for the remainder of the season. Any player involved with a physical altercation or who has physically threatened another player, umpire, or spectator shall be suspended for an indefinite period. Such an occurrence will be investigated by this headquarters and facts pertaining to the incident will be forwarded through the Garrison chain of command for a final determination on the length of the suspension.
